Rocking BS Ranch | Las Vegas, NV

Rocking BS Ranch – home of World Champion stallions Annies Smart Cat and Here Comes The Boon – is looking for a dedicated, hardworking individual to join our team. This is a hands-on, full-time position at a horse breeding ranch, and we are looking for someone who takes as much pride in the day-to-day as we do.

Onsite housing is provided.

What the job looks like:

This is a breeding operation – meaning your days will be spent working closely with mares, foals, and young horses on the ground. You will be an integral part of keeping this ranch running at the highest level.

Daily responsibilities include grooming and bathing, feeding, administering medications, handling young horses, and keeping the operation clean and organized. During breeding season, early mornings and late evenings come with the territory – and we need someone who shows up ready every single day.

Trailer hauling and heavy lifting are also part of the role.

What we are looking for:

The right person for this position is highly motivated, physically capable, and passionate about horses. Experience on a breeding operation is a plus, but the right work ethic and attitude will go a long way.

If you are the kind of person who takes pride in a job well done, finds fulfillment in the quiet work that makes champions possible, and wants to be part of something special – we want to hear from you.
